# RED HOT STATE CHAMPS '79

Nothing seems more fitting to open this 16 page Spring Supplement to "The Last of the Red Hot Seventies" than to report pictorially the happenings in those last torrid week-ends of the last basketball season of the Red Hot Seventies.

It was St. Pius defeating the Spartans in the District finals up there 68-65, after BHS had gone 8-0 in district play and 17-6 on the season. This sent the Spartans to Farmington against last year's state champs, Kirtland Central, but that turned out to be a fairly easy contest at 69-55 for the Spartans.

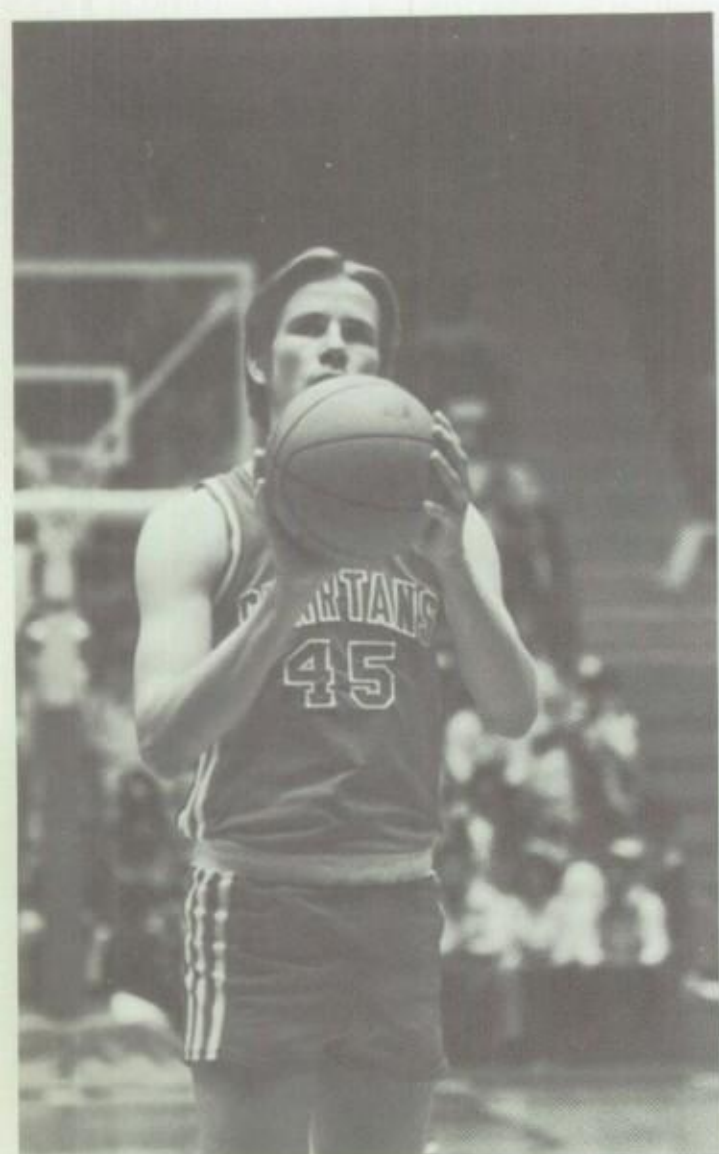

The last week-end of play at Las Cruces was to prove anything but easy. All the Spartan squad saw action at Las Cruces High as they cruised past Taos 67-53 in Thursday night action. It took the mighty "7-foot-1 in heart" Spartans an overtime before downing Portales 60-59 in the NMSU Pan-American Center Friday evening.

The pay-off was Saturday afternoon in a double-overtime game when BHS pulled it out over Lovington 66-63. So for the second time in three years the scramblin', fightin' BHS Spartans gave their outstanding Coach Henry Sanchez and their fans State Championships!

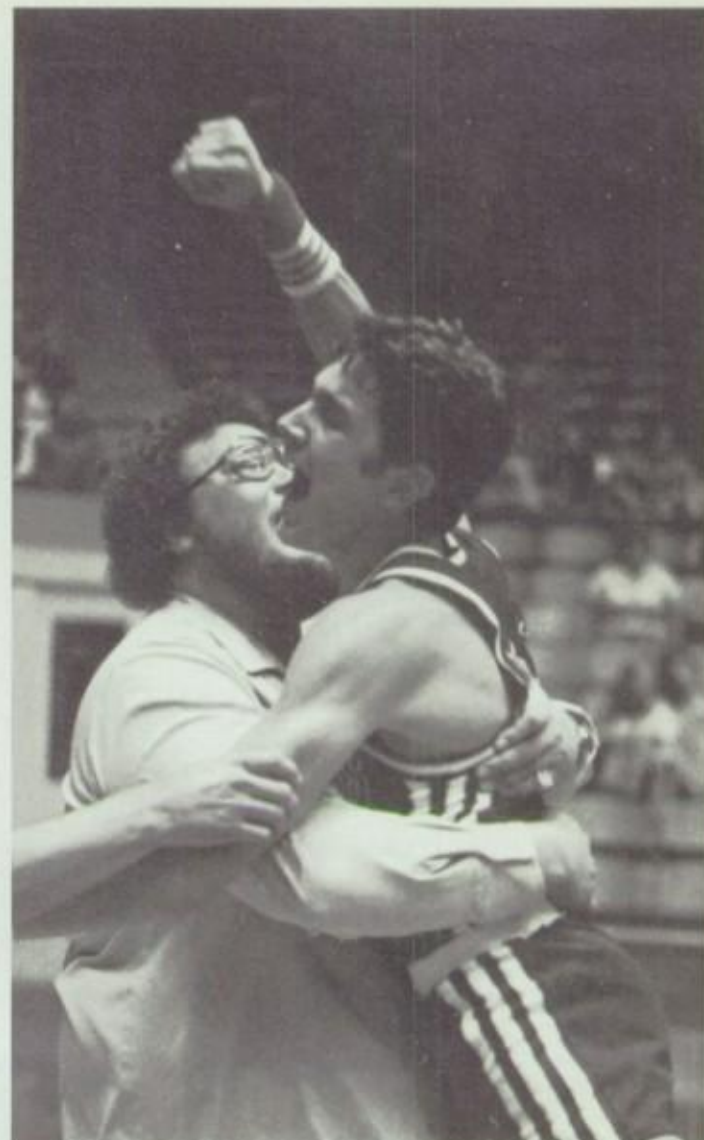

"Last of the Red Hot Seventies"- You bet!

The next three pages depict some of these happenings.

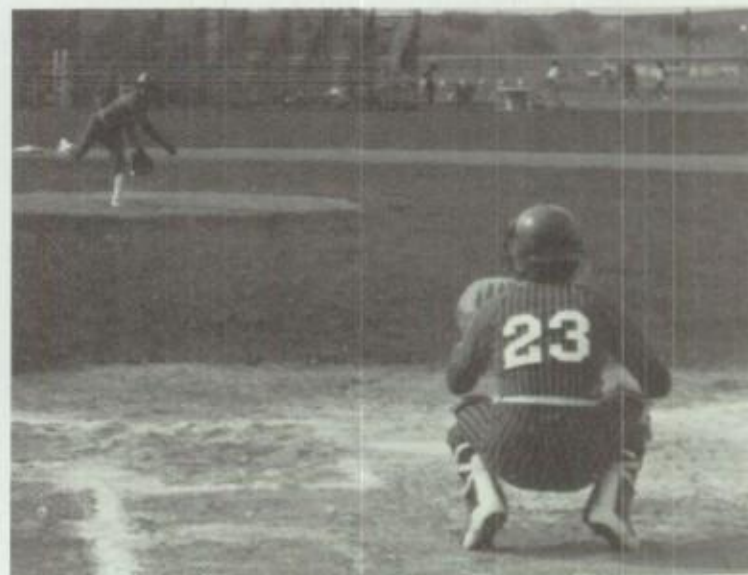

# BASEBALL ACTION

Several factors combined to give the Spartan baseball team a rather disappointing season.

Oliver Winchell, Aaron Archibeque and Jake Tenorio were selected to the All-district 2d team and for honorable mention.

# TORRID TRACK ACTION

Both the Boys and the Girls Track Teams ended their seasons successfully.

Carla Valencia qualified for State in the high jump and ranked fifth.

Phillip Velasquez qualified for State in the 2-mile run, Joe Cordova in the shot put, Felix Silva in the dash, and David Padilla in the pole vault. David Padilla placed fourth with his vault of 12 feet 0.

# HONORS AND AWARDS

Awards of all sorts, too numerous to depict were received this spring by many athletes, academicians, clubs and activities. These photos are only scimp representation of the many.

At Honors' Banquets, assemblies, and evening ceremonies cheerleaders and their sponsor, graduating senior boys basketball players, Industrial Arts students, OEA and other Business Students, all- district girls basketball athletes, and many, many more were bestowed with honors befitting their accomplishments.

This is the Red Hot team that **ALMOST** made it to State.

MVP's and all-district in basketball.

MVP in softball.

Wendys all-star game, North-South all-star game, all-district coaches' team, news-media all-district, all-state tourney team, and all-state news media team.

Four of seven OEA State and National competition and diplomat delegates.

Boys State reps to Roswell. Four girls were also selected to Girls State.

Partially due to the inspiration provided by the Poets-in-the-Schools Program Melvin Sandoval and Sharon Quiver received honorable mention in NMSU publication, "Southwest Creative Writing Awards".

Best shot putter in BHS history won the right to compete in State.

## HONOR SOCIETY INDUCTION

Officers for '78-'79 at right. '79-'80 officers are John Gunther, Aaron Archibeque, Patty Estes, and Janice Atencio.

# INDIAN COMMITTEE POW-WOW

Dancers from several schools came, fry bread and other delicacies were consumed, the BHS Indian Princess was crowned, and a fine time was had by all.

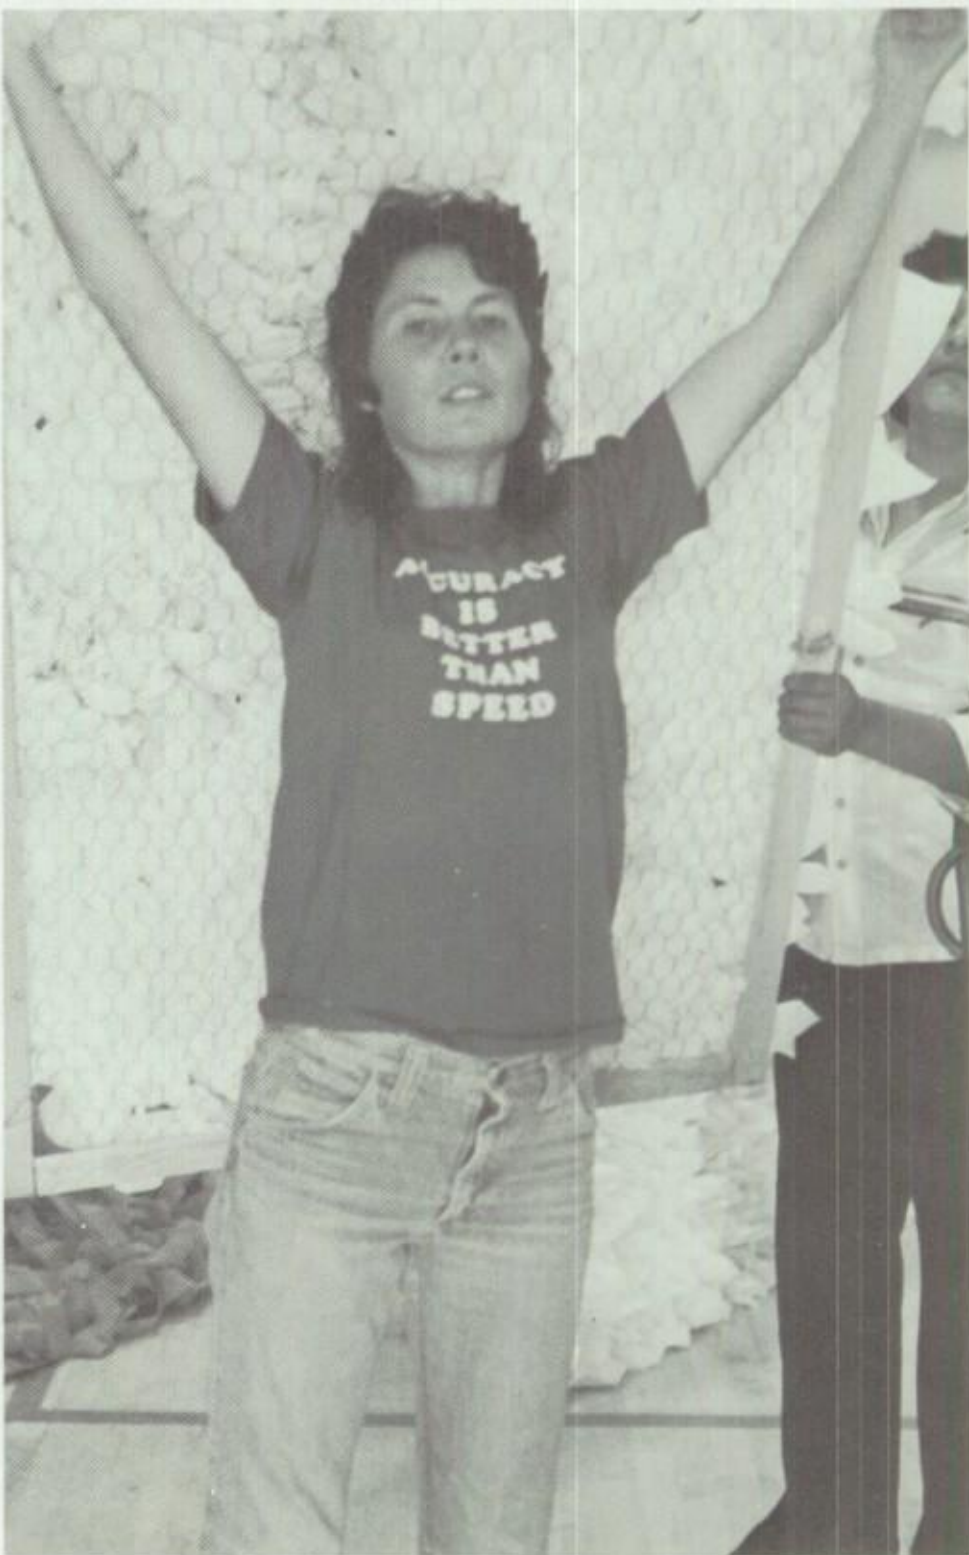

# JUNIOR-SOPH WEEK

After seniors had completed finals, cleared, and were goofin' off, the BHS juniors and sophomores were finishing their testing, decorating for graduation, turning in books, holding room parties, and doing as little as they could get away with.

Teachers Betty Williamson, Janet Chiado, Danny Williamson, Nora Romero, and several others pitched in to supervise the gym stage decorations.

# JUNIOR-SENIOR PROM '79

Crowned at the gala social event of the season was the Spartan elected queen, Madelyn Tenorio.

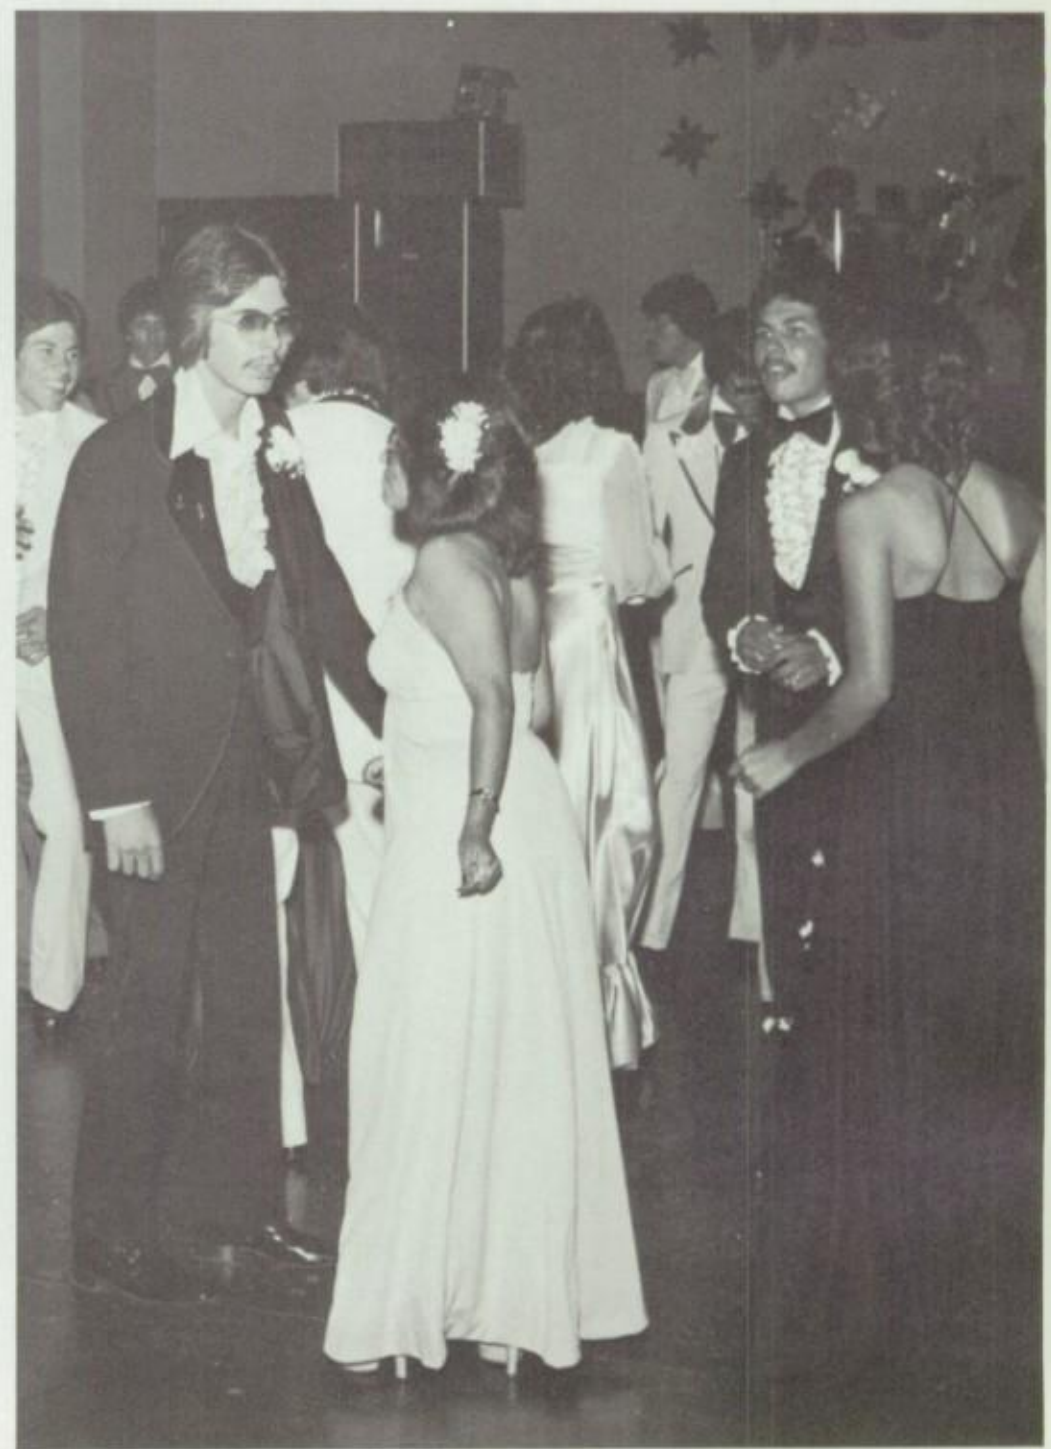

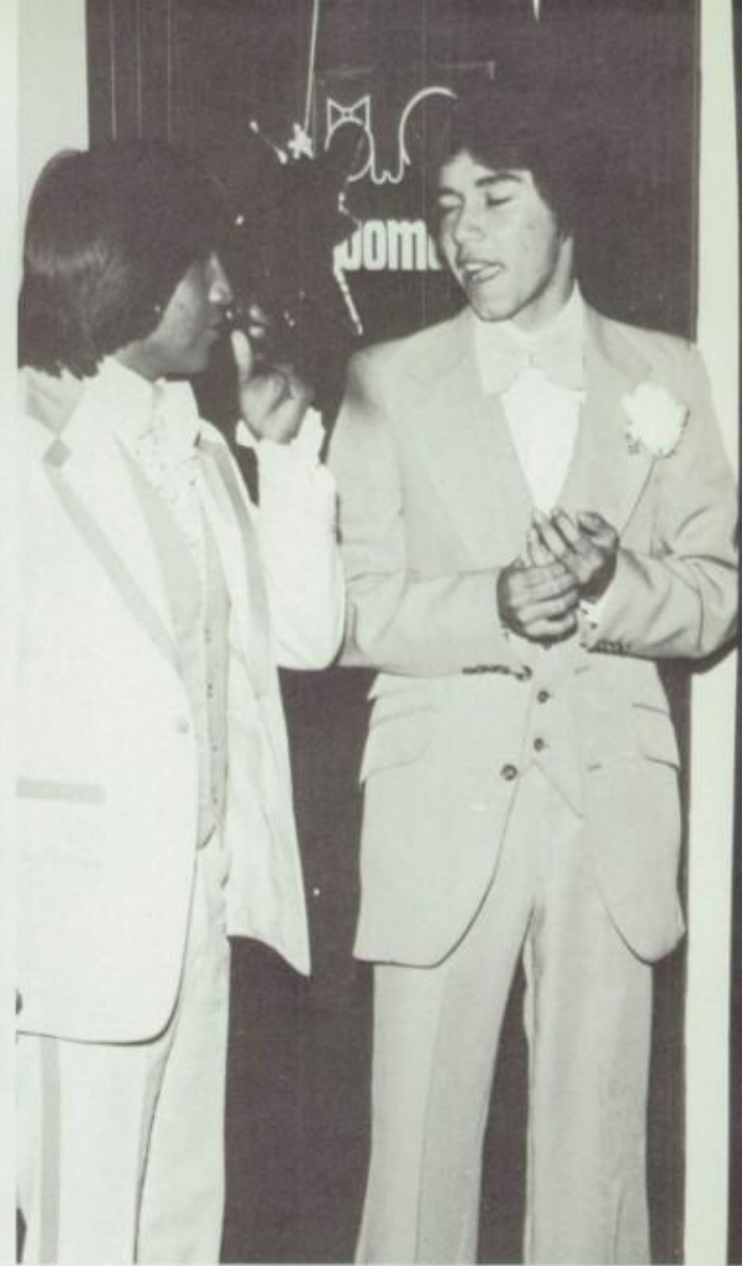

Roberta Satriana won the princess title and the honor of crowning Miss Tenorio by raising the most money for the Prom.

Held at the Albuquerque Convention Center attendees reported that this was the best Prom in memory. Junior Class President Eileen Stephens and her officers and sponsors had the decorations, favors, and theme tied together in an outstanding manner.

Administrators and teachers were highly complementary of the fine appearance and behavior of the students and their guests.

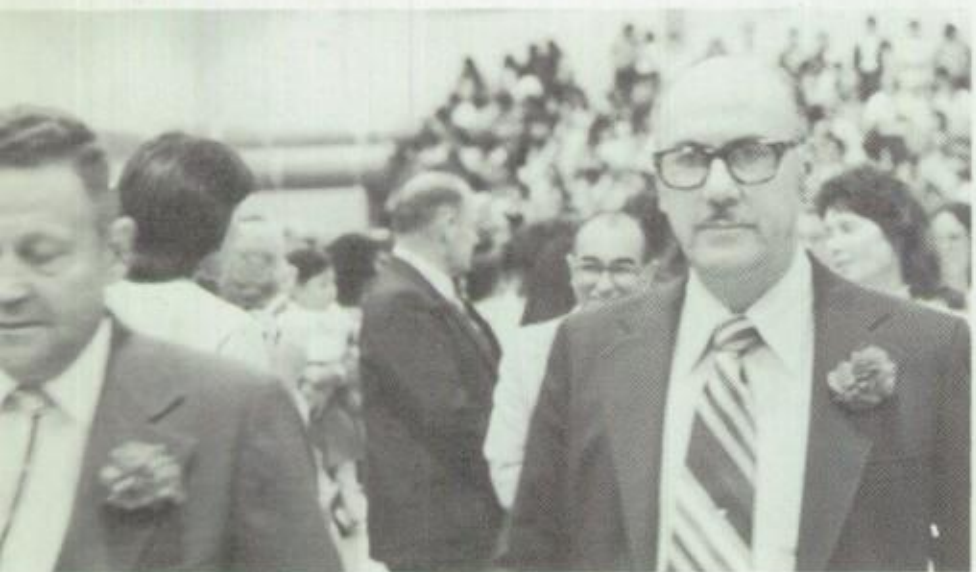

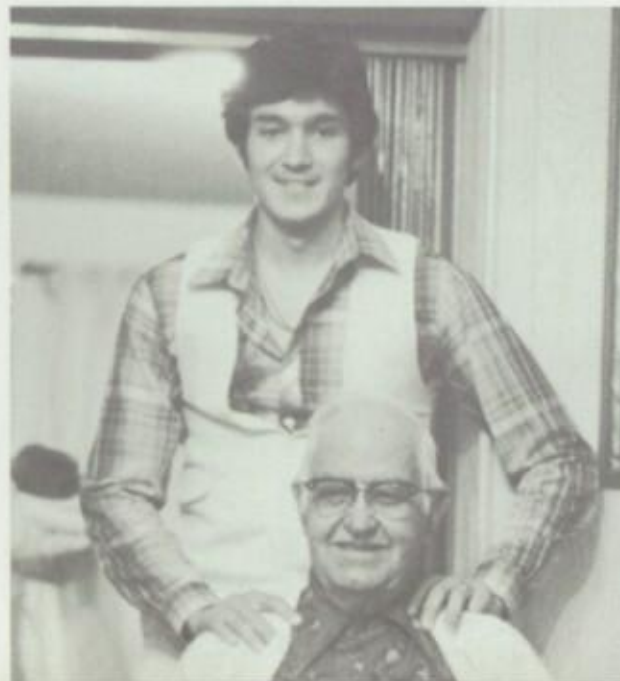

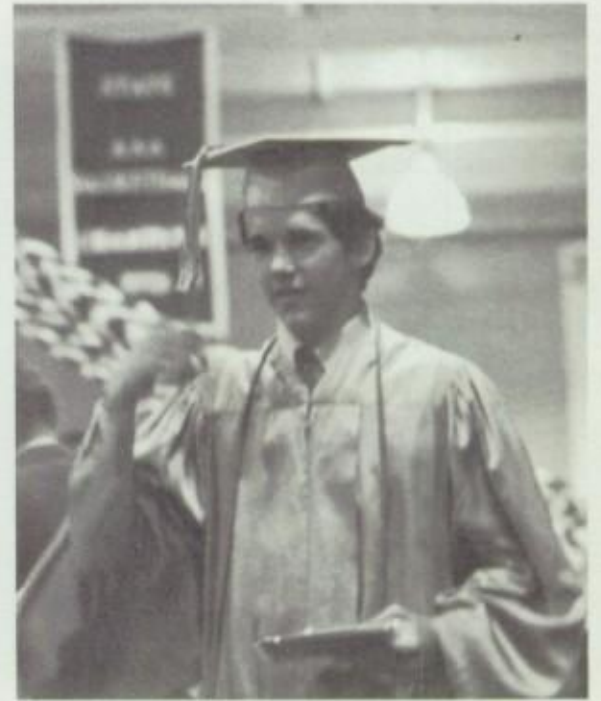

# AND NOW IT'S OVER

## NOTES FROM THE EDITOR IN CLOSING

Putting a yearbook together is a very difficult task. The whole staff begins the year with many ideas but few skills. After several workshops, innumerable meetings with the company representative and adviser, things began to fall into shape.

The big job is to keep the staff in some semblance of coordination, with all accepting their responsibilities to meet deadlines. Even though some exhibited irresponsibility, the job got done.

For the first time this year a BHS Spartan Yearbook Editor is able to sit back and ruminate about the students' reactions to this year's Spartan and write about it for publication now, thanks to this 16-page Spring Supplement.

The staff is very pleased to have received universal compliments and praise about "The Last of the Red Hot Seventies", some even going so far as to say, "It's the best yearbook I've seen!" Yes, the trials and tribulations of an editor were well worth it. Thank you all for your acceptance and I hope you enjoy this supplement.

# DEDICATION

## DEDICATION

The '79 Spartan Staff had no question in their minds as to whom this yearbook would be dedicated. The name Henry "Hank" Sanchez came up immediately, primarily because of him bringing outstanding credit to BHS by being nominated for National Coach of the Year, after winning the Rocky Mountain Coach of the Year Award in 1978.

Coach Sanchez, besides outstanding basketball records, has the admiration of every student and every man, woman, and child in Bernalillo. This name, and thus Bernalillo, are synonymous with basketball the entire state over.

Over the 12 years that Coach Sanchez has been at BHS, he has won 6 District Championships and has taken his teams to State 10 times. His 1976-77 team was the first team in the history of Bernalillo to win a Basketball State Championship. Coach has had a team in the finals of State 3 out of the last 5 years. His teams have won 2 out of 3 District Championships since District 5AAA was started 3 years ago. He has had a player in the North-South All-star game every year since 1966, except 1967. His total record is 393 wins to 141 losses.

Coach Sanchez came in 2nd for the National Coach of the Year award in 1978 after winning the regional nomination for which he and his wife, Diane received an all-expense paid trip to Kansas City for the banquet awards.

Coach Sanchez graduated from St. Mary's High School in 1955, St. Joseph's College in '59, got his Masters from UNM in 1960, coached at St. Joe's one season, then went on to coach at OLOS High School in Bernalillo from 1960-65. He started coaching here at BHS in 1966 where he has stayed ever since, in spite of lucrative offers elsewhere.

Coach Sanchez and Diane have two children at home. His hobbies are all sports and running his summer basketball camps.

So it is with real pleasure that we **dedicate** this edition of The Spartan to **Coach Henry Sanchez** who has taught us the real meaning of **PRIDE** and that the harder you work, the harder it is to quit. Thank you, Coach!

## Last of the Red Hot Seventies

As 1979 brings the last ever to be seen of the 70's, reminisce with your Spartan Yearbook Staff and recall some of the great, red hot happenings of 1970-79.

We found it gladdening, saddening, and sometimes maddening! We think and hope you will mostly be gladdened by what you find in these pages.

"CLASS OF '79"  
THEY SAVED THE BEST FOR  
LAST!!  
THE RED HOT '70's

1979

# STILLVANTAGE

# SKI CLUB

The Ski Club first organized in 1976 under the leadership of Mr. Moore, who conducted lessons in his classroom to work up interest. Since then the membership has dropped. This year the ski members went down-hill skiing, cross-country skiing, snow shoeing, and engaged in tubing and other snow sports. They went skiing at the Sandia ski run and at Santa Fe.

# SPEECH CLUB

The BHS Speech Club came into being this year under the leadership of sponsor, Mr. Orlando Vigil and sponsor, Ms. Janet Chiado.

The Club started right out in high school competition, placing high, for a first year club, in all of them.

The club has about 30 active members.

Bottom picture, standing, are Ms. Chiado, Liz Torres, Susan Poole, Pam Valverde Co-secy, Ermie Padilla, Vince Baca Pres, Albert Barnum, Barbara Gonzales, Willie Trujillo, Grace Quintero, and Mr. Vigil. Sitting, are, Lita Cheykaychi, Beckie Johnson Treas, Cynthia Budagher VP, Sandra Madrid, Amanda Esquibel Co-secy, Lisa Romero, Rose Montoya, and Liz Cordova.

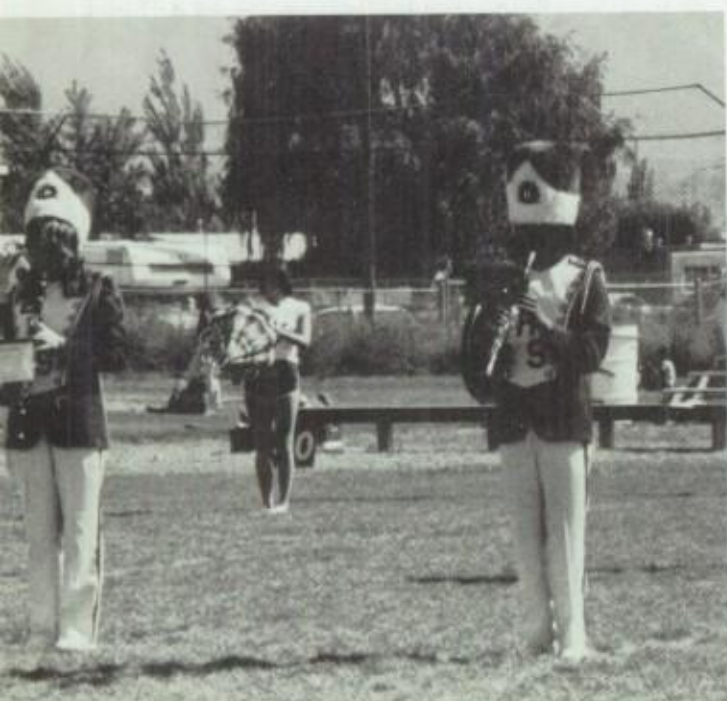

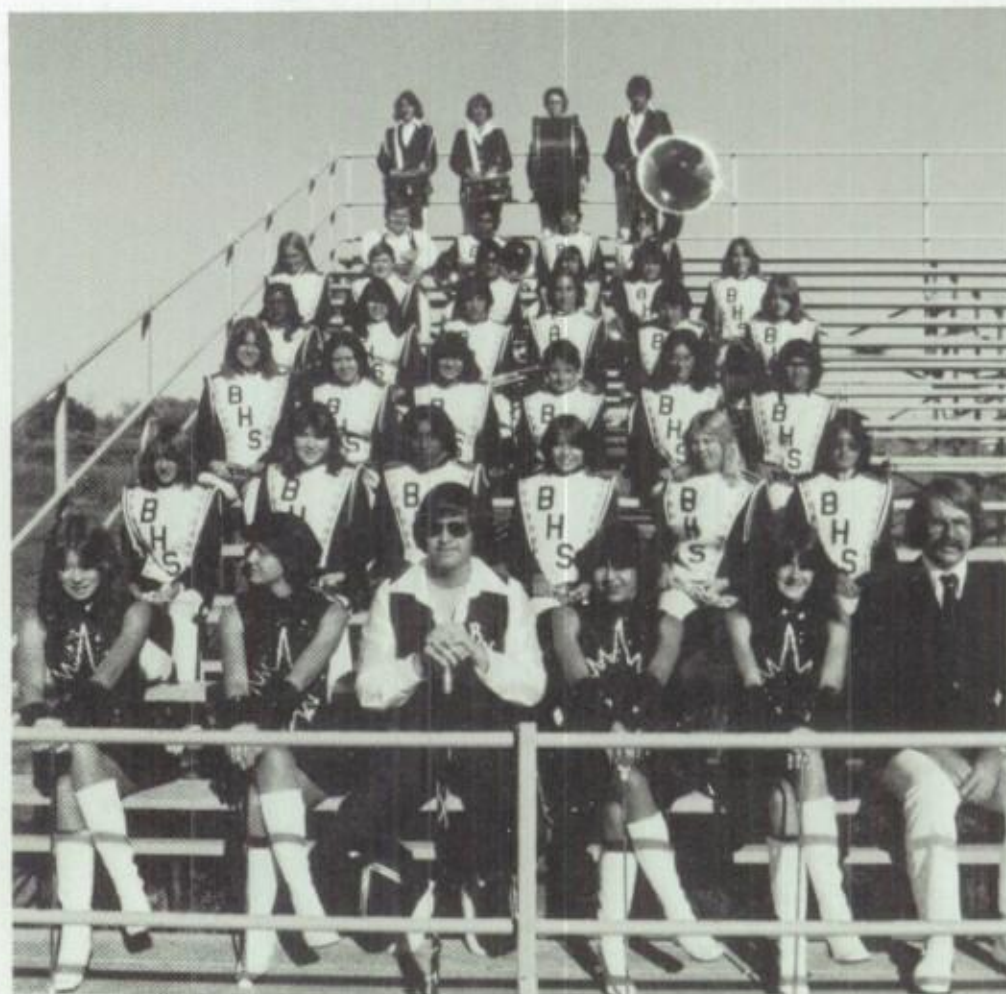

# MARCHING BAND

During the Red Hot '70's the band has shown great progress both in participation and ability.

Mr. Edmundo Hernandez ran the band until his retirement in 1974, when Mr. Roger Alt assumed directorship in the fall. The band has continued to grow in size, now up to 60 members, and in musicianship.

Over the years the band has participated in local, regional, and national festivals and has taken its share of awards, under both Mr. Alt and Mr. Hernandez, as their trophy case shows.

Lookig ahead, past the '70's, the band will continue to grow bigger and better in the years to come.

This year the band began activities with the State Fair Parade and received a 3d place trophy in the annual Christmas Parade in Albuquerque. Following, they performed at all home football games and traveled to Los Lunas to put on a halftime show there, went to UNM twice, winning at the 1st annual Zia Marching Band ompetition a 2d runner up trophy, and participated in Band Day activities.

Individual students tried for awards and honors in All-state and the District Solo and Ensemble Festival.

The entire band performed at the annual Fine Arts Festival at the high school and at the District Large Group Festival.

Bernalillo has been chosen as the site for the District Honor Band and Chorus Contest, with students from throughout district performing here.

Closing out the year, the band performed its annual spring concert for parents, faculty, and students.

# CHORUS

The BHS Chorus participated in The Christmas Follies with 3 numbers while Mrs. Sanchez accompanied on the piano.

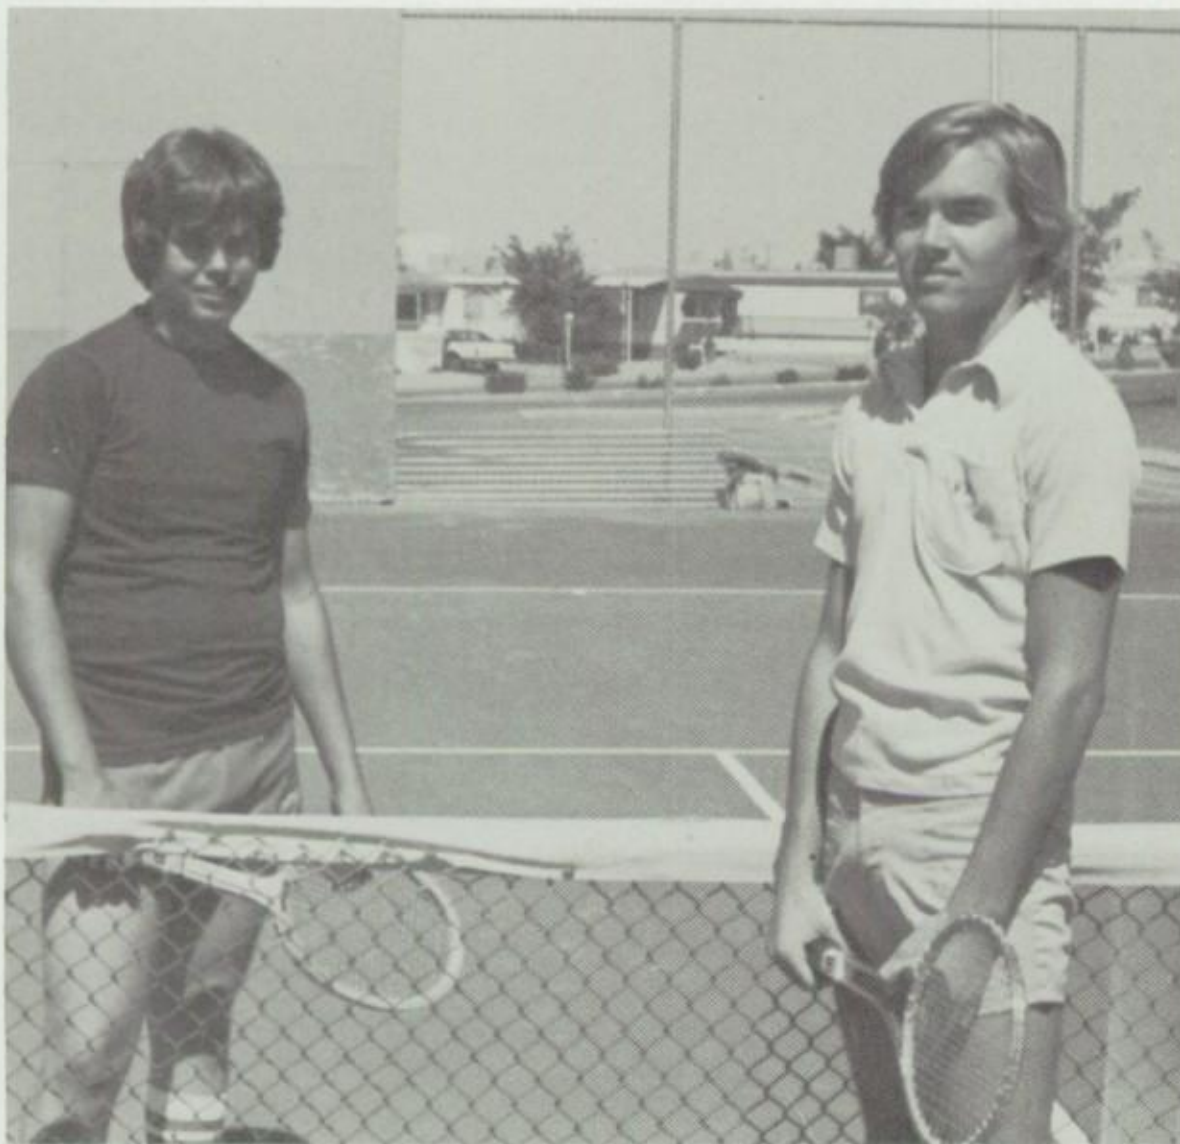

Rosemary Montoya and Gertrude Sisneros tried out for Solo Ensemble in Grants.

The Chorus sang as a large group at Socorro.

The BHS Chorus hosted the Honor Chorus here this year.

# TENNIS CLUB

The BHS Tennis Club was started 3 years ago by Mr. Merrill Moore and he is still the sponsor.

The club has grown from some 32 members to 69 this year. Last year was the first time the club played in the District Tournament but hope to participate this year too, even though practice is slowed down by not having local courts.

Mr. Moore held classroom instructions and arranged for Albuquerque pros to come out for lessons.

Twelve rackets were provided as well as practice balls. So when the long-promised courts can be built the Club looks forward to regular District competition.

# DANCE MOVEMENT

Back in 1974 Miss Chavez and students became interested in dancing Mexican Folk Dances. When the Artists-in-the-schools dancers came to BHS in 1977, Miss Chavez's dance class became a follow-up for the program. Miss Chavez, who has a background in Ballet and Mexican Folk Dance, is also a member of the Ballet Folklórico de Albuquerque. Several students have shown a great amount of interest, practicing several evenings a week, making their own dancing skirts, to participate in this activity.

## HOSA

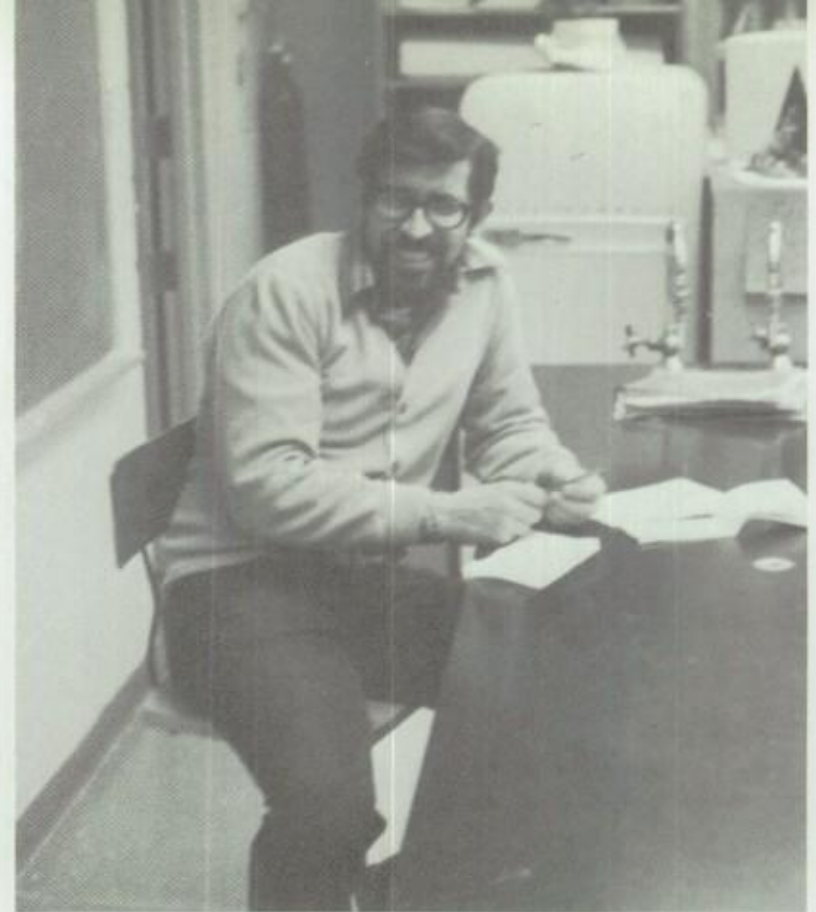

Club members of the Health Occupations Services of America organization have had a busy year with a barbeque, state conferences, workshops, and various other health-related meetings.

Perhaps the highlight for this BHS chapter is the election of state officers for the first time in history. Lita Cheykaychi was elected State Secretary and Janice Atencio was elected State Chaplain.

Now these caring students are starting their work experience in Albuquerque, working with professionals who are employed in a total of some 400 health related fields.

## SCIENCE CLUB

At left, top row are Ms. Cloyes, Dino Farfan, Sandra Abousleman, Barbara Archibeque, Jerry Casebolt, and Mr. Turietta. Sitting are Amanda Esquibel, Vincent Baca, Rosemary Montoya, Elizabeth Cordova, and Susan Poole.

Rosemary Montoya did a project on, "Do Epileptics Dream?" and Vincent Baca did his project on "A Research Study of Skin Cancer". These two Science Club members are also trying for the Regionals which are held in Socorro.

The State Science Fair had 5 BHS projects last year and the club hopes to have at least that many also this year.

## INDIAN COMMITTEE

The highlights of this year's Indian Club was the 4th Annual Pow-wow, Bakesale, and Raffle, all rolled into one.

The Pow-wow activities included dance groups from other schools, awarding of prizes to the best dancer and best costume, and an Indian Foods Sale.

Mr. Larry Vallo is the club sponsor, this being his second year.

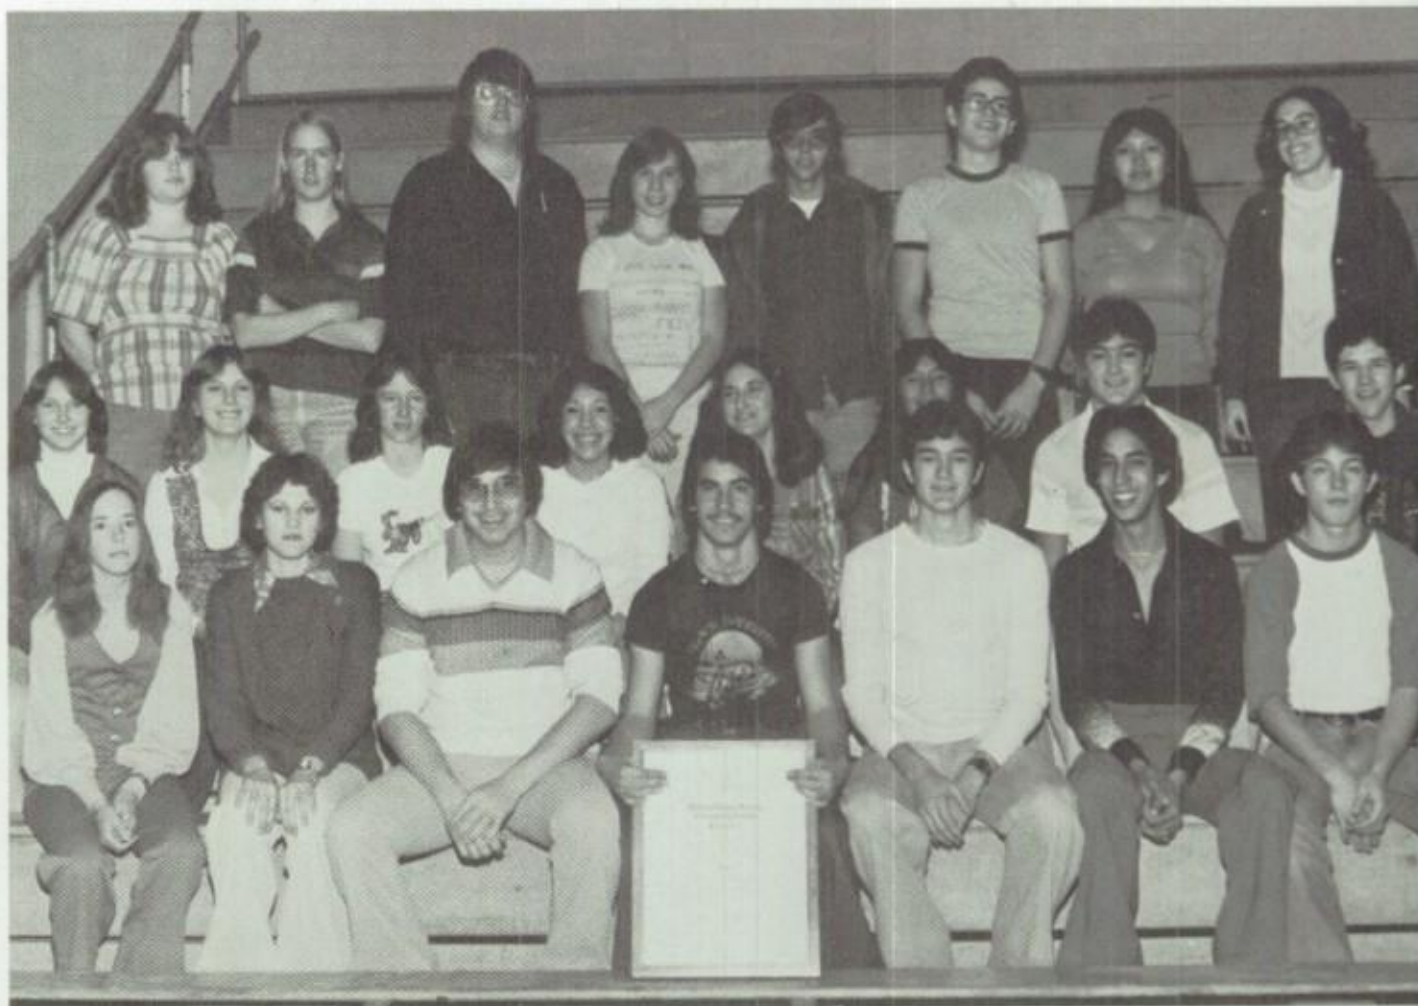

# HONOR SOCIETY

At right, top row are: Jamie Green, Susan Raught, James Casebolt, Patty Estes, Steve Murray, Archie Sanchez, Lita Cheykaychi, Ms. Chiado.

Middle row: Jackie Richman, Cindy Broome, Shelly Briley, Darlene Serna, Cynthia Budagher, Janice Atencio, James Kloeppel, Matthew Pribble.

Bottom row: Becky Johnson, Eileen Stephens, Vince Baca, John Gunther, Mike Kloeppel, Anthony Navarro, and Aaron Archibeque.

In 1977-78 the academic requirement for membership in our National Honor Society was raised from a 3.2 Grade Point Average to a 3.5.

The purpose of the Honor Society is to recognize students who have displayed high academic achievement, high moral character, leadership qualities, and active service to the school and community. Members must maintain a 3.5 GPA and are required to be present for meetings since 3 absences result in suspension.

This year NHS members have selected the fight against Muscular Distrophy as their project. T-shirt sales and hot-shot contest monies earned will be donated to the Jerry Lewis telethon this Labor Day.

Officers are shown immediately above, of which Cynthia Budagher, lower left, is President.

## VICA CLUBS

This has been a rebuilding year for the Vocational Industrial Clubs of America, with not as much activity as sponsors Ken Wood and Lester Montoya would like to see.

They are planning for the State Competition in Carlsbad, taking unnderclassmen to gain experience for next year.

The VICA President for the Senior Class is Jerry Casebolt, Junior Class President John Martin, and Soph Class President is Earl Pecos.

# FFA

During '78-'79 school year FFA has enjoyed many successes.

The FFA float came in first, for the Homecoming Parade. Deborah Barrett was elected Future Farmers of America Queen. The members have been very active in State Judging Contests and at many other State and District Activities.

During this year Fred Beverage won a second place in a public speaking contest at Cibola High School.

Above photo, top row: Leroy Ortiz, Melvin Maez, Damian Navarro, Kevin Beverage, Brigida Segura, Billy Lane, Doris Baros, Pat Navarro, and Robbie Schultz.

Middle row: Anthony Lovato, Ray Ralston, Donny Baros, Rick Ralston, Jed Henry, Mr. Aguilar, Robert Baldonado.

Lower row: Max quintana Pres, Deborah Barrett, Albert Barnum, Roberta Rodriguez, Fred Beverage, Edna Ortiz.

## OEA

Office Ed Association is one of the largest donors to the Special Olympics. The members are exceptionally proud of their contributor of the past and future.

There are 45 members in OEA, which makes them one of the larger clubs on BHS campus. Their goal is to prepare students for careers in office work. As fund raisers for their trips and activities this year they sold jewelry and candy.

This year OEA Regional Competitions will be held here at BHS. Last year Gloria Coriz won Regionals, State and went on to Nationals, for what is probably the highlight of OEA activities during the RED HOT '70's.

## BHS STATERS:

At top are the students who represented BHS at Boys' State at Roswell and Girls' State at Highlands U. last summer of '78. They are, from L to R, Ray Perez, Lita Cheykaychi, Sponsor Harold Gordon, Chris Jaramillo, Cynthia Budagher, Raymond Leyba, Mike Kloeppel, Gerald Trujillo, and Diane White.

Immediately above and at right, Jackie Richter made All-state Band for the second year in a row.

# 

The Chess Club was started in 1977 by its present sponsor, Mr. Orlando Vigil.

In 1978 Mr. Vigil decided to enter the club in the Albuquerque Chess League. In the first year of league competition the chess team took third in Regionals. This year's team is expected to do even better.

The BHS Chess Team has come a long way with the help of Mr. Orlando Vigil.

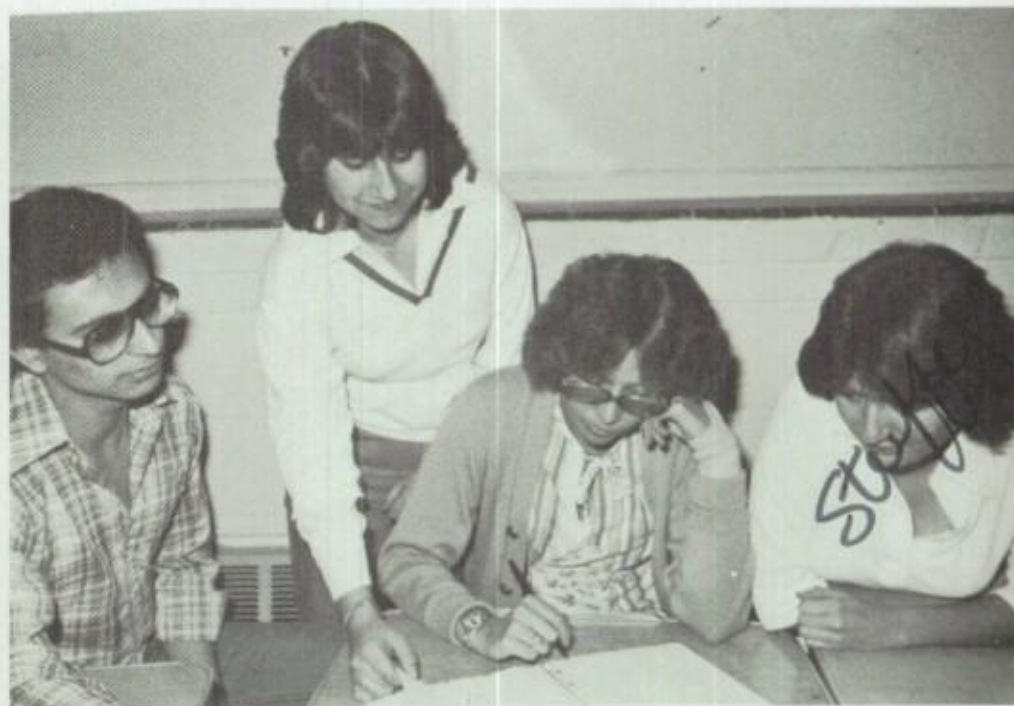

# JOURNALISM

This year the journalism classes have been combined into one Period of Creative Writing with the staffs of both the Spartan Shield newspaper and the Spartan year-book functioning all together.

Both staffs have worked very hard to beat the deadlines and to come up with ever-improving publications.

The editors have been Howard Coleman, Gerald Trujillo, Vince Baca, and Danny Rael.

## STUDENT COUNCIL

The BHS Student Council has been a very hard-working group, instituting many ideas, such as having the Senior Citizens present and giving them Christmas gifts during the SC Sponsored Follies.

They have set up transportation to all the games in the near areas and to District. They certainly have shown that they care about BHS and its students.

Lower pic shows the SC members. Top row: Matt Pribble Pres, Joseph Ansera, David Padilla, James Martinez, Vince Baca VP.

Middle: Oliva Gabaldon, Louise Serna, Renee Montoya, Florence Calabaza, Elvia Hernandez, Sabrina Rostro, Veronica Gonzales, Anthony Navarro.

Bottom: Eileen Stephens, Patty Estes, Rose Aguilar Treas, Mrs. Nora Romero, Vangie Valencia Secy, Amanda Esquivel.

# OFFICE AND COUNSELOR AIDES

Office and Counselor Aides are responsible for enormous detail and assistance to students and to their supervisors, Mrs. Toni Lucero, Mr. Harold Gordon, Ms. Sharon Wilson, and Mr. Archie Sanchez.

This year's administrative aides adopted the saying, "The customer is always right." You can always receive help from these friendly and knowledgeable students.

*Don't go forget me*

# LIBRARY AIDES

The Library Aides started several new things this year. A student book committee was started which brought in over 600 books. The library is open at noon this year and receives many customers.

The Library Aides average checking out 90 books and 65 magazines a week.

There are 30 student aides a day working with this activity, not only checking out books and putting them away, but also setting up, trouble shooting and repairing Audio-visual equipment of all sorts.

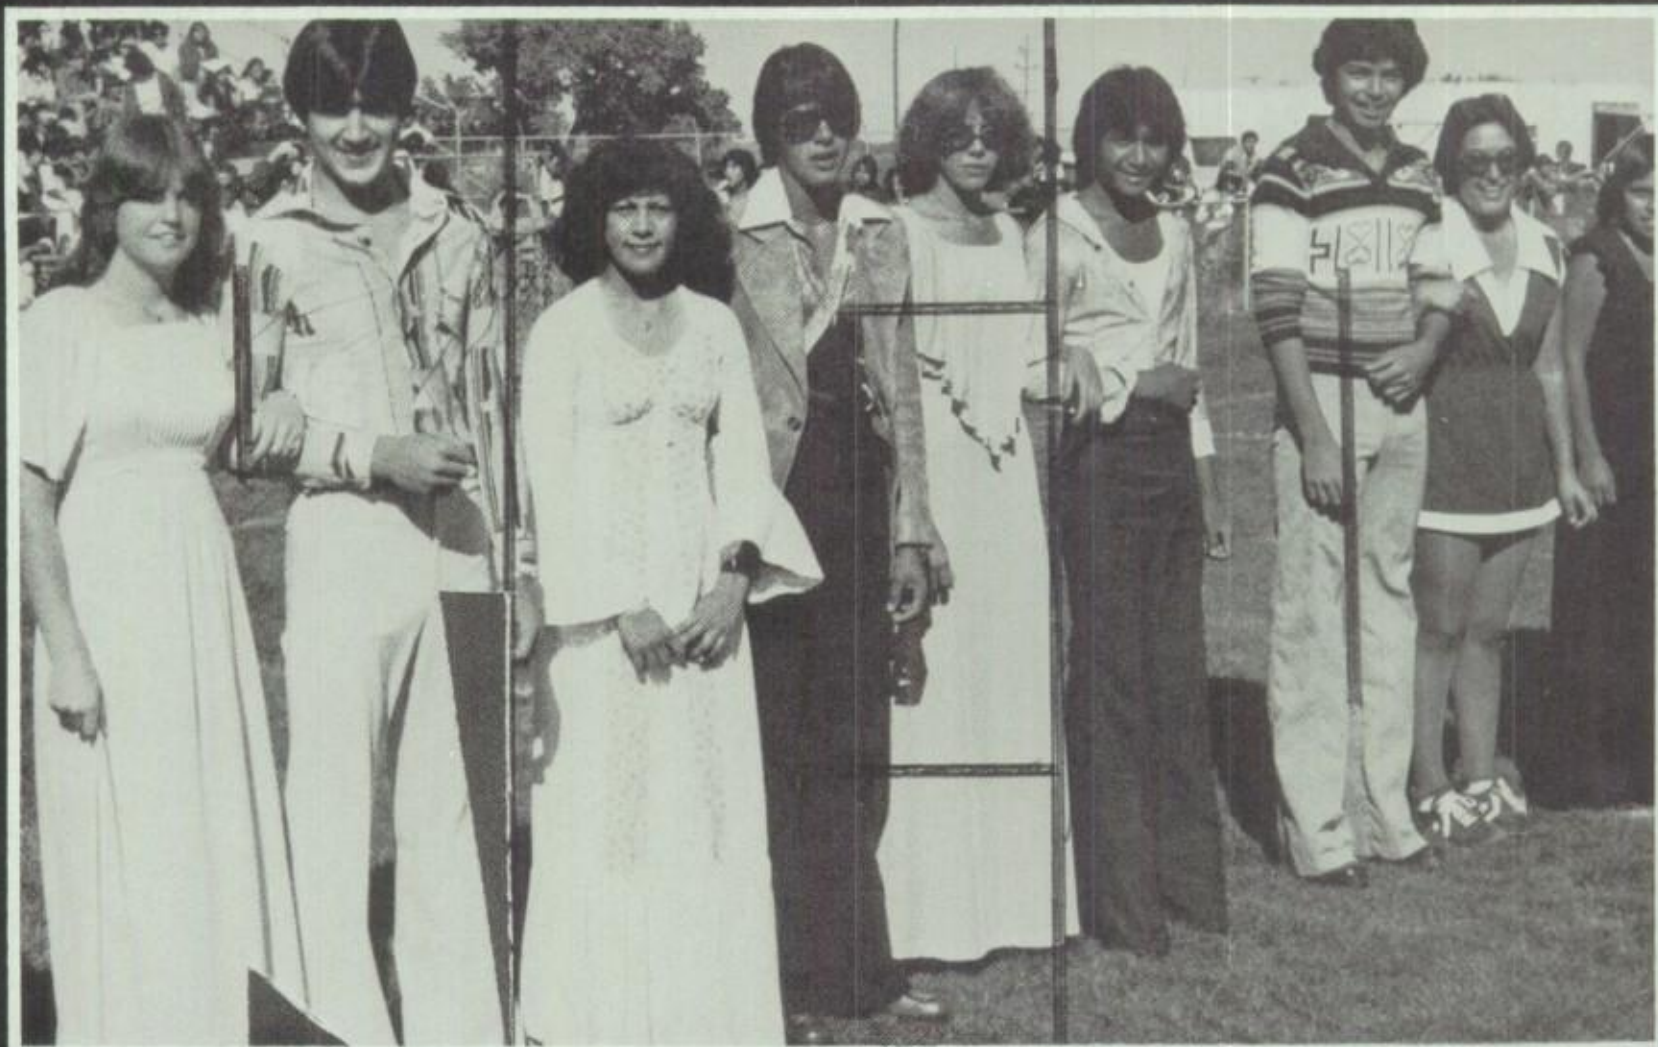

# **DRAMA**

This year's Drama members participated in several plays, among them were "Sorry, Wrong Number" and "A Woman's World". Valerie West and Cecil Aguilar show off their makeup. Sandra Chavez hides behind her mask. A lot of fun and learning were had by all.

# CLASS OF "79'S" WHO'S WHO

This year the Senior Class Favorites to Who's Who were elected by ballot after having been nominated by the Senior Class Executive Committee. The class decided to add three new categories of favorites for the first time this year. All categories are pictured on the following pages.

Top: Voted Most Athletic were Mike Kloeppel and Carla Valencia.

Lower: Mr. and Miss BHS, Sandra Chavez and Lewis Moquino.

# **MOST POPULAR, STUDIOUS, SPIRITED**

Top left: Most Popular are Danny Rael and Lori Baldonado.

Lower left: Most Studious winners are Steve Murray and Darlene Serna.

Lower right: Voted Most Spirited were Cecile Aguilar and Leroy Garcia.

# MOST FUN

# PLAY BOY & GIRL

Left: Tina White and Rick Montoya were chosen by the voting members of the Senior Class as Most Fun. Rick, don't drop Tina or the fun will stop, pronto!

Below: Gina Stoehr and Leo Romero were voted Play Boy and Girl of the year, and who better?

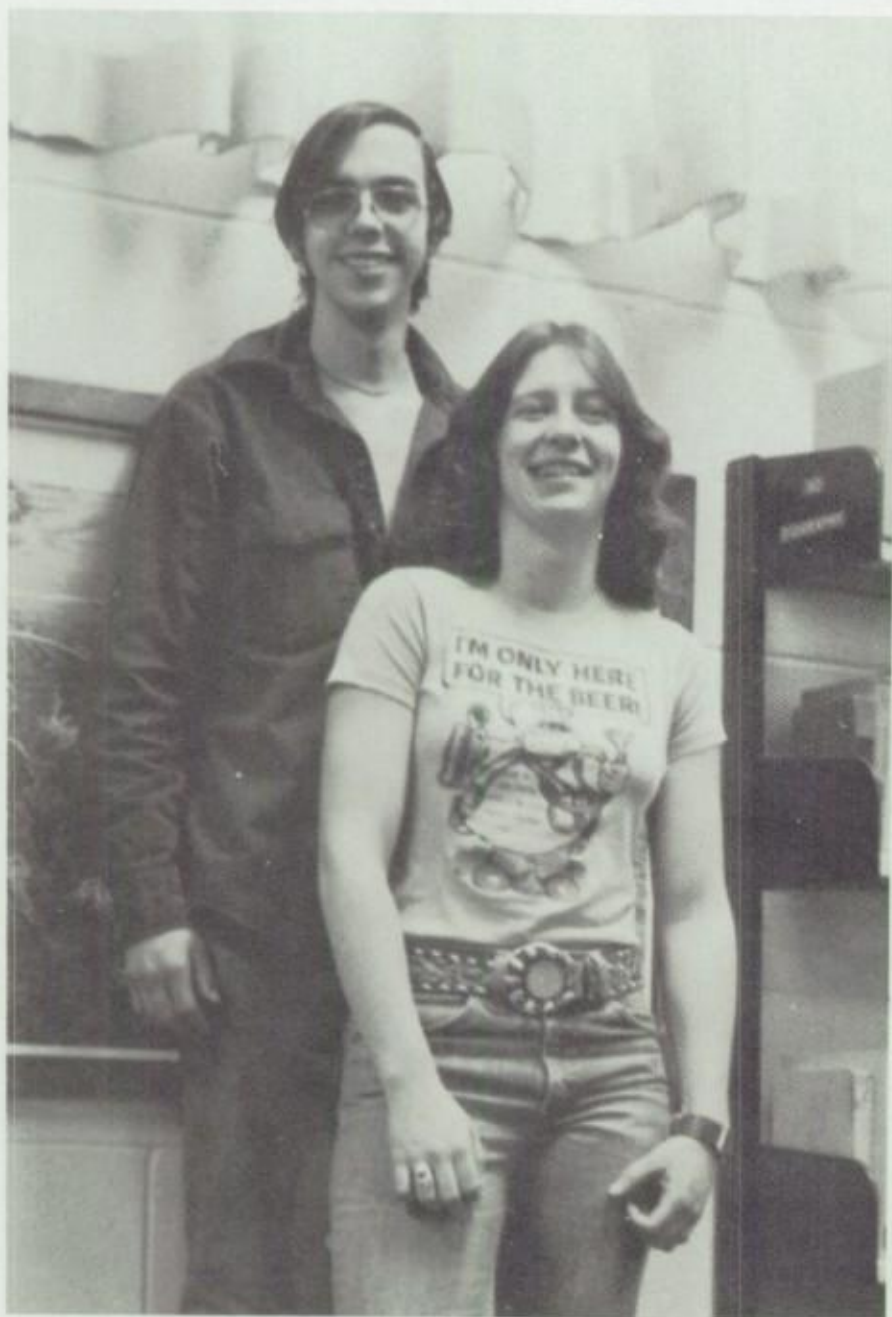

Ralph Baca and Rena Romero were voted Most Talented for the Senior Class of '79. Ralph's talent would be his dancing and Rena's talent is her drama acting.

Steve Murray and Shelly Briley were voted Most Likely To Succeed, for their academic excellence and pleasant personalities.

Raymond Leyba and Cindy Montano were voted Best Dressed for their great taste in the latest fashions.

# BEST PERSONALITY

## CUTEST COUPLE

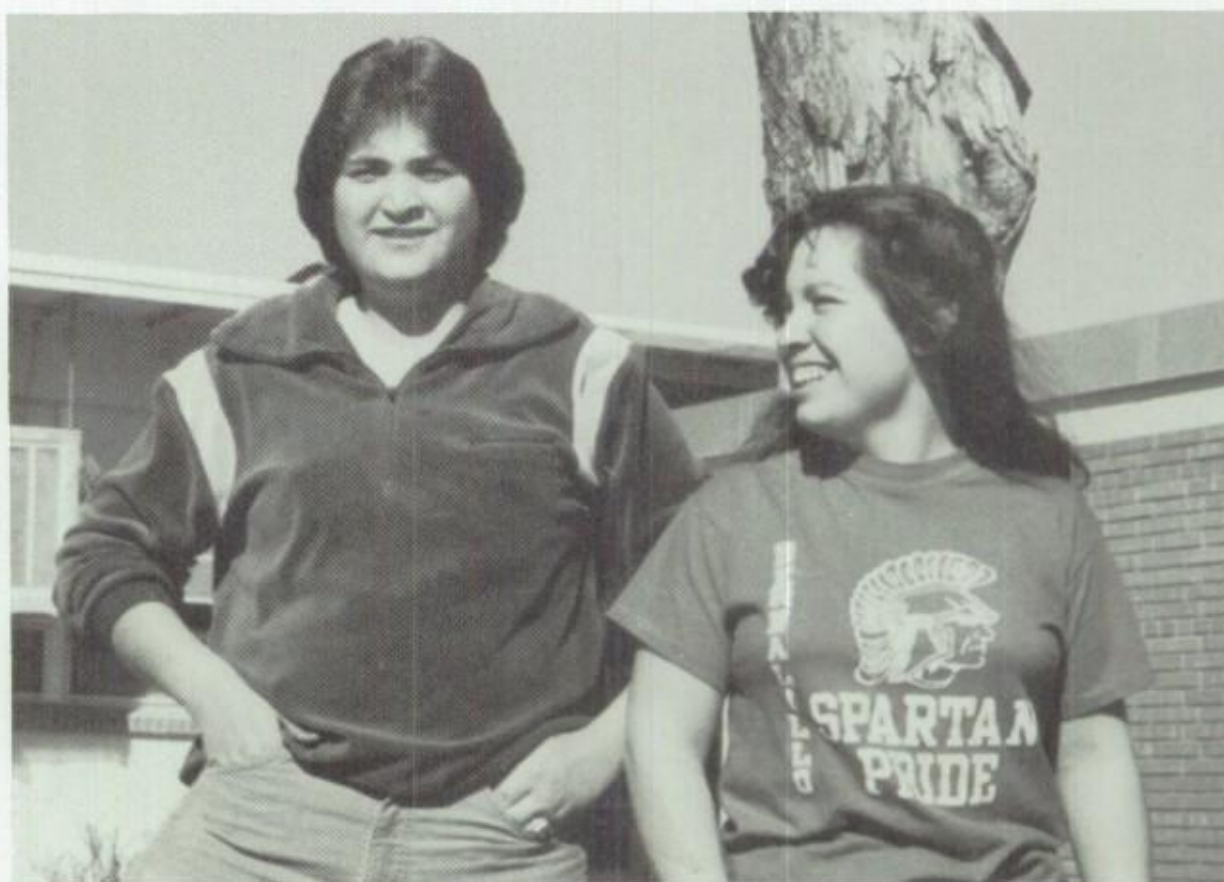

## CLASS CLOWNS

Top left: The two seniors selected as having the Best Personality are Danny Rael and Tina White. Both are very friendly, outgoing, and of course popular.

Top right: The Class of '79's choice for Cutest Couple, Raymond Leyba and Cindy Montano. It was a unanimous selection.

Bottom right: The Class Clowns, Rick Montoya and Renee Montoya. Does the name "Montoya" have something to do with being a clown?

Charlotte Tenorio is 1978-'79 Homecoming Queen, shown with her escort, James Tenorio.

# SPARTAN QUEEN

Carla Valencia was voted Spartan Queen for 1978-'79.

The voting was done by the varsity basketball players.

Miss Valencia is also a star on the Girls Varsity Basketball Team.

# INDIAN PRINCESS '79 CROWNED

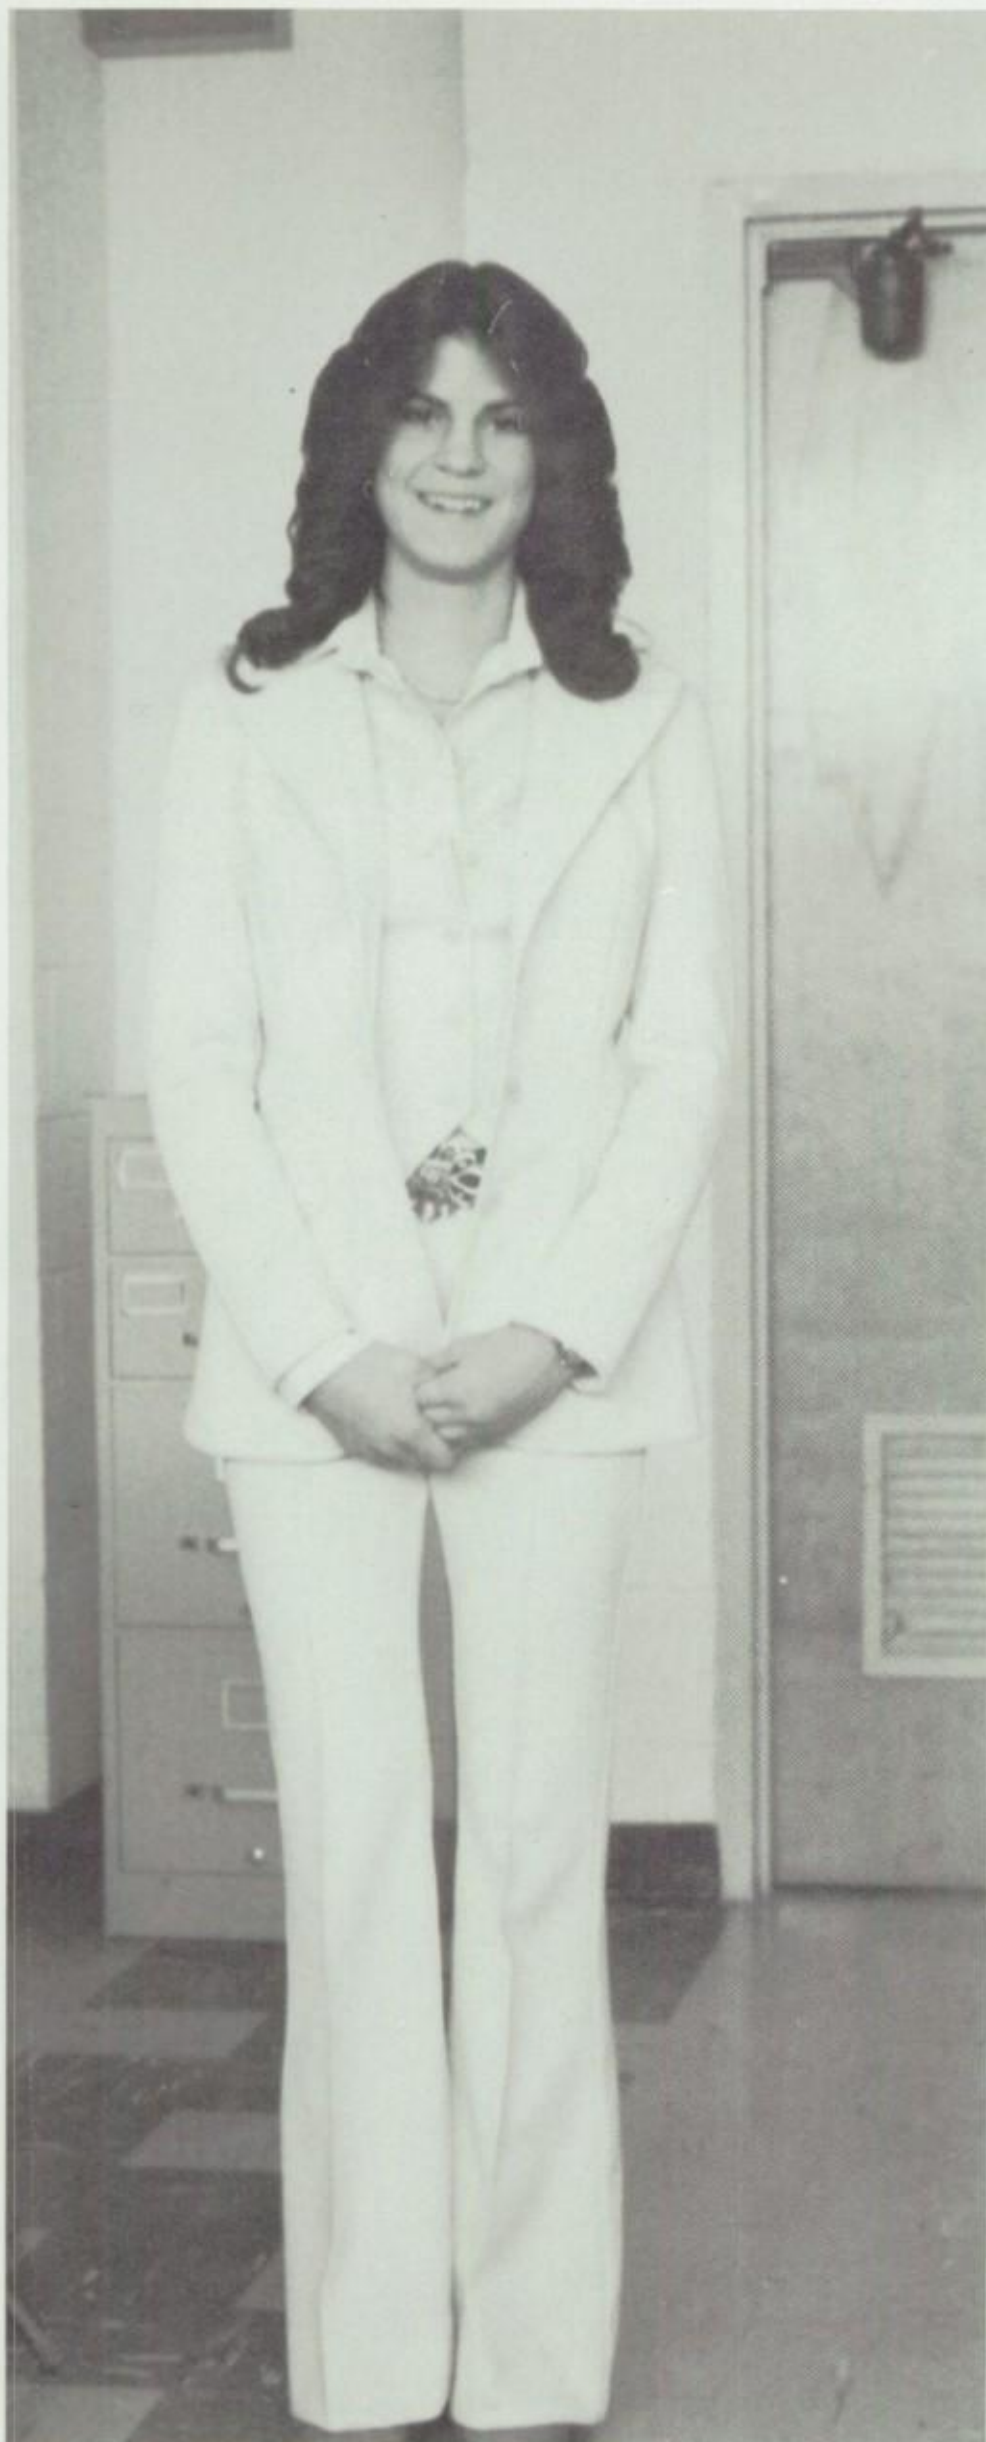

One of the four girls shown on this page is soon to be Miss Indian Princess of 1979.

In balloting of the whole BHS student body this week under the supervision of Indian Committee Adviser, Larry Vallo, one of these beautiful pueblo ladies will be crowned at the 3d annual BHS Pow-wow held on Saturday, 3 March, in the BHS gym.

Winner may be seen in the supplement to this bound book.

# FFA QUEEN

Miss Deborah Barrett was chosen as this year's FFA Sweetheart and Deborah admits that it's a great thrill to be elected for this honor here at BHS.

# BOY-GIRL STATERS ROYALTY

If the number of applicants to Boys' and Girls' State is any criterion of interests in government and politics, BHS may well have some prominent leaders in this Red Hot Class of '79. A record number of applications were received in Sponsor Harold Gordon's office this week.

Unfortunately the American Legion was able to approve only five boys and three girls to attend this increasingly popular week's event, held this year for both boys and girls on the Roswell Campus of NMMI.

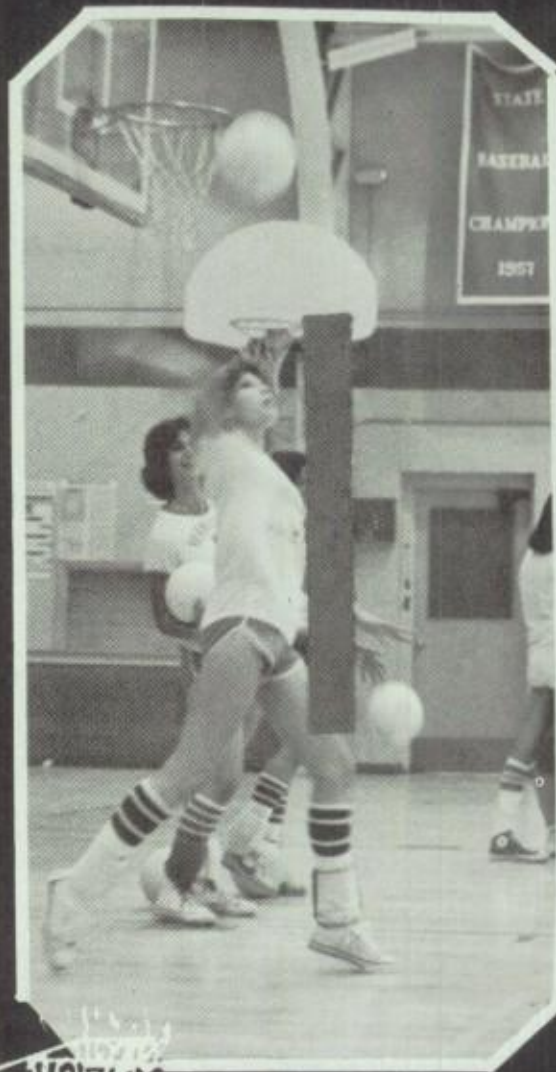

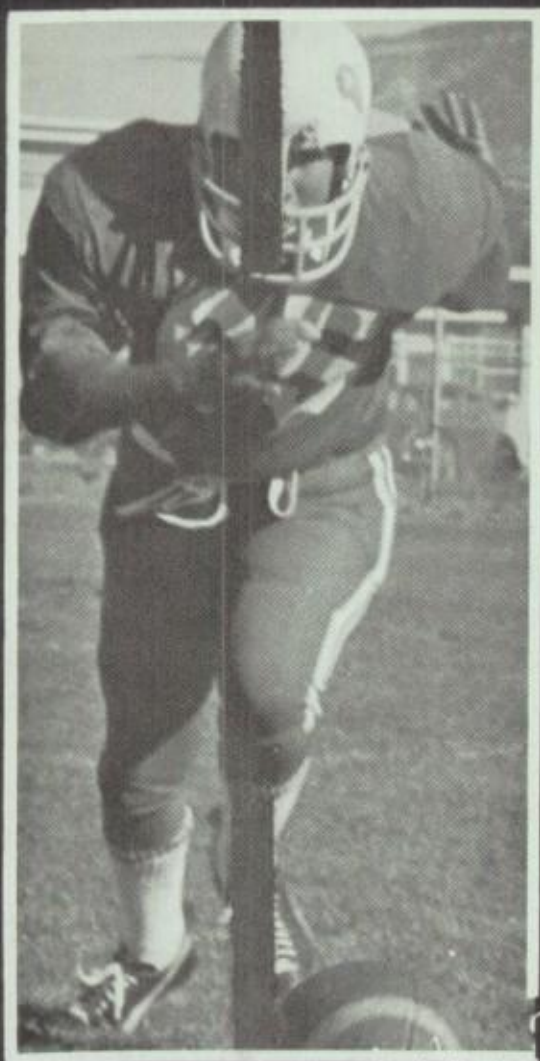

BHS Faculty is now rating each candidate and results are to be announced too late to make our final deadline.

Bottom Row: Terry Schultz, John Gunther, Mike Kloeppel, Rey Perez, Russ Malcolm, Pete Budagher, Jeff Gunn, George Royce, and Ray Davis.

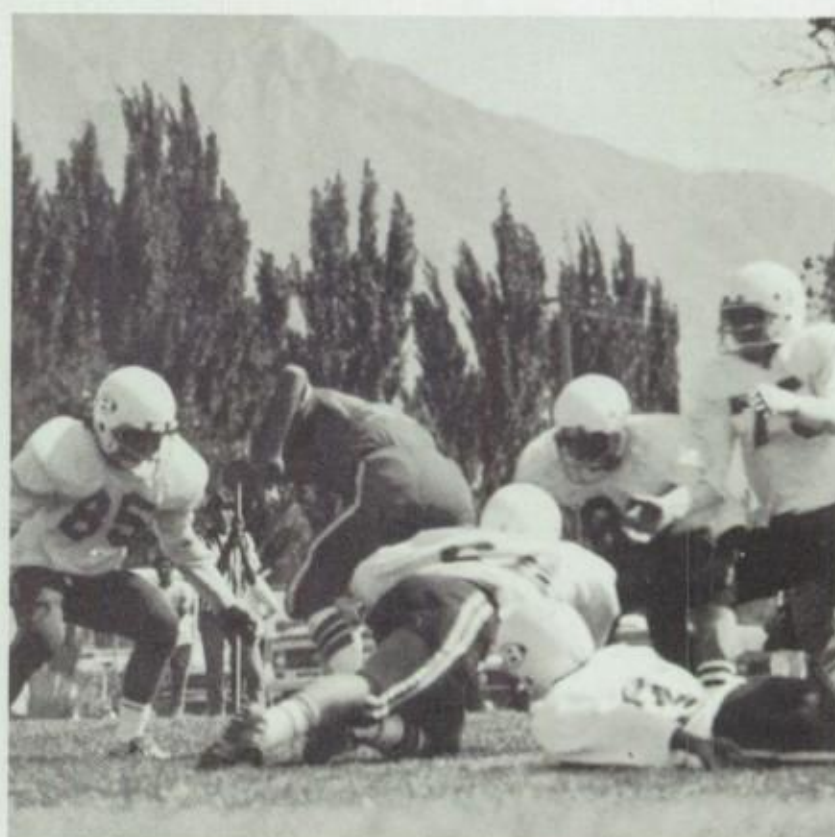

# SPARTAN

## ACKLERS

The football program at BHS started in 1973. The Spartans' first coaches were Gordon Soflin, Jim Howden, and Clarence Griego. Many students showed interest and tried out for the team. But lack of experience showed against the other teams on the schedule. One game was won that year, however, against Abq. Indian School.

Although the Spartans only won one game this current year, the spirit is already rising for next year. "We'll have 29 of the 35 players back next year and I think we'll do good because we have great potential; that is is everyone works for it," said Junior Quarterback, John Gunther.

## DISTRICT CHAMPS !! SIXTH IN STATE!

This year's Cross country team won BHS's second consecutive District 5AAA championship and also earned its 14th consecutive trip to state.

This year, the runners came in 6th in State. Next year's Cross Country team should again do good since 5 of the 7 harriers will be back.

Volleyball at BHS in the '70's saw such greats as Marie Herrera, Janice Ortiz, Cha Pino, Linda Tenorio, Della Valencia, Sue Gordon, Lorraine Chavez, Johanna Velasquez, and Karen Townsend.

In 1976 District 5AAA was organized for the girls' sports. In 1977 the Varsity team won second in District and played in the State Tournament for the first time ever.

This year's volleyball team was coached by Sandy Deuell. It was a long, hard season for the Spartan Volleyball team, but so it goes for another season.

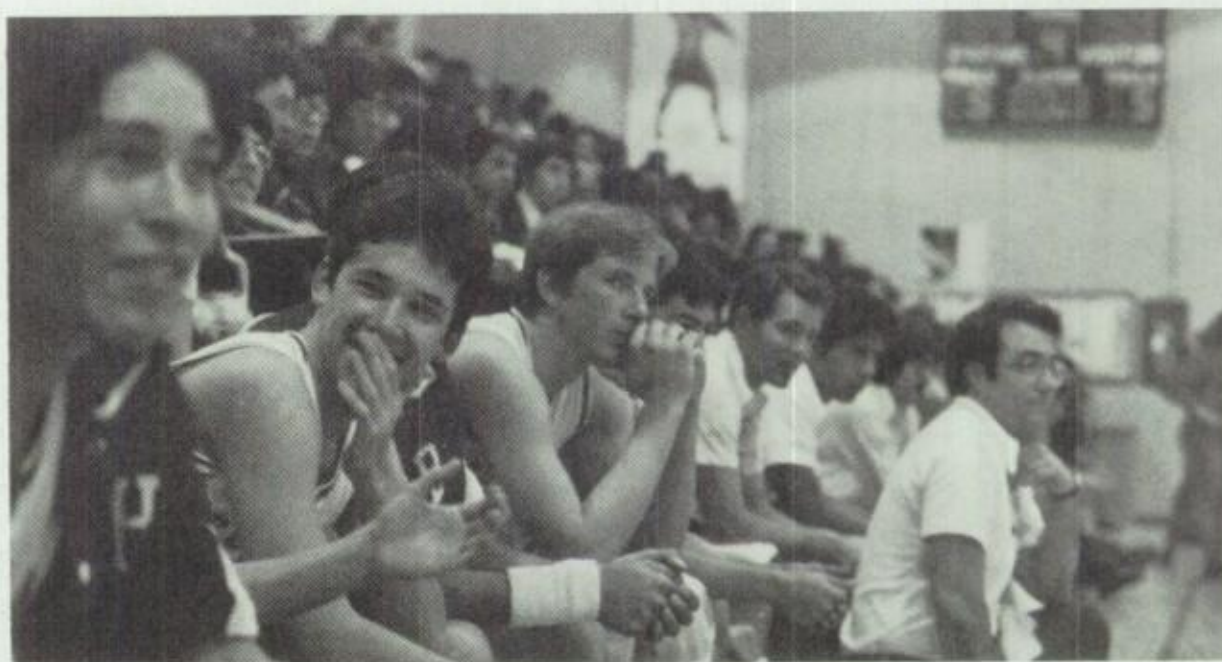

# BOY'S BASKETBALL

Here are the successful 1979 Spartan Varsity Basketball Squad. Top row above, left to right: Mark Casaus, Howard Coleman, James Kloeppel, Joey Arnett, Mike Kloeppel, Eddie Delara, Manual Segura, Felix Silva, And Tommy Perea.

Sitting: Coach Henry Sanchez, Coach Jim Howden, Mathew Pribble, James Dominguez, Vince Montoya, Danny Rael, Lewis Moquino, Coach Clarence Griego, and Mr. Ken Wood.

# BASKETBALL

Both the Boy's C Team, shown at left, coached by Junior High coach Clarence Griego, below, and the Spartan Boy's Junior Varsity Team, under Coach Jim Howden had great years. The enthusiasm shown portends fine things for future varsity Spartan teams.

As shown on the following page recent successes of great Spartan teams have been many. Winning State, star Mike Romero from the great 77 and 78 teams becoming the first Spartan to sign with a major college team, Coach Sanchez winning his 400th and Coach Howden winning his 100th game all must be mentioned as just a few of many basketball highlights of the RED HOT 70's.

# GIRLS BASKETBALL

Top left shows the Girls Basketball B Team and below right is the Spartan C Team. Both has a very successful season.

When they are seniors they are a good bet to challenge for the State title.

The Junior Varsity, in white, shares "The thrill of victory," while the Varsity, in dark, experiences "the agony of defeat." The Junior Varsity are shown winning District while the Varsity girls lost in the finals to Pius finishing second.

Word has just arrived that the Girls' Varsity was defeated at Kirtland Central, thus bringing an outstanding season to an abrupt halt. All good things must end!

# SPARTAN BASEBALL '79

## LETTERMEN'S CLUB REJUVENATED

Under Mr. David Lepre, the Spartan Lettermen, representing all sports, reorganized this winter and have several events working. A real group of goers!

The weather has not cooperated with the baseball team yet this spring either. The field is coming along and will be in shape for action shots soon which will be contained in the supplement.

Managers Ralph Martinez and Felix Lucero are looking forward to a great year.

# SOFTBALL

The softball team is coached by Miss Stephenson. Many girls have returned with experience from last year and with the size of the squad out in the blustery weather this spring the feelings around the lockers are that we'll have a good team "if we can just get some pitching."

# BHS TRACK-BOYS

With good experience returning in just about every area, Coach Jim Howden is expecting good results in District and State this spring.

Coach Geronimo Garcia joins the staff this year bringing his vast experience as a State Champion runner and Olympic participant.

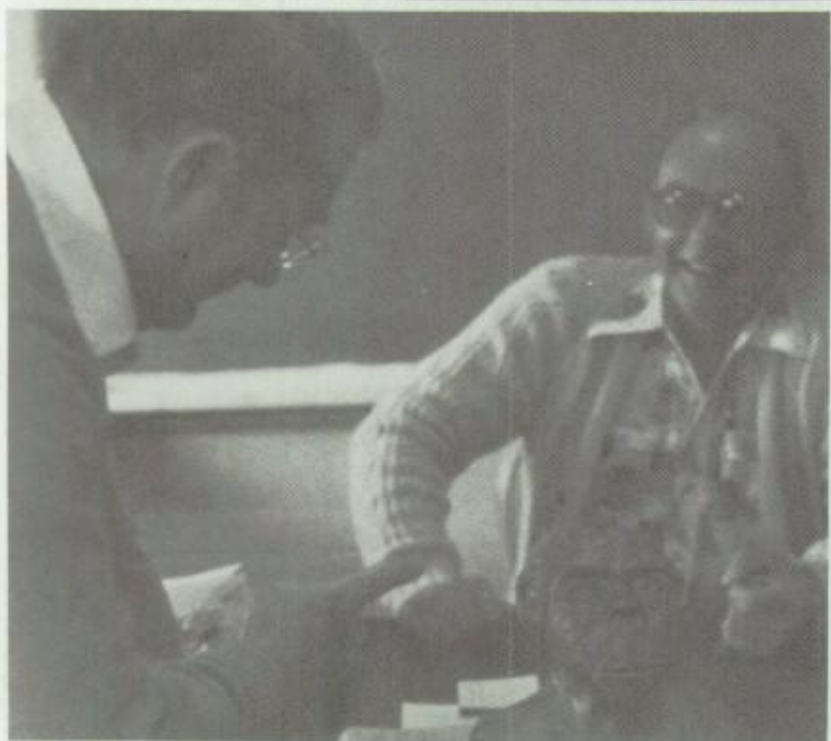

# TRACK

The girls' Track Team looks exceptionally good this year with many returning letterwomen. Mrs. Cloyes, BHS's new Biology teacher, is also the new track coach. She looks for a good season if the tribulations of the turbulent spring weather can be overcome.

## HISTORY OF DRILL TEAM IN '70's

This year's Spartanettes provided great entertainment at all home games. In the beginning of the year, over 40 girls tried out for the squad with the following 20 being finally selected: Top row, Darlene Leyba, Robin Archibeque, Tina Paiz, Frances Salas, Cathy Argon, Janice Sandoval, Gina Quintana. Bottom row; Jane Martinez, Armella Gabaldon, Roberta Satriana, Lynda Martinez, Sonia Flores, Liz Torres, Gina Stoehr, and sitting, Veronica Gonzales. Not pictured, Patricia White, Diane White, Denise Dominquez, and Ann Coriz.

Out of the "Red Hot '70's", only about half of the yearbooks reveal Drill Teams' pictures.

# CHEERLEADERS

## JR. VARSITY

This year's Spartan Cheerleaders were kept busy all year. From volleyball to baseball season, the Cheerleaders kept the town yelling.

The cheerleaders started off the year by going to California to a cheerleading clinic. The girls raised the money by having a bingo during the summer vacation. In California the group won many ribbons and awards to go with the ones won in NM.

During the year the cheerleaders were involved in many events, like the State Fair and Christmas Parades, games, pep rallies, Follies, a road block for MD, sales of Spartan hats and scarves, and many other activities. Perhaps this is the busiest Spartan Cheerleaders of the RED HOT '70's, if not for all time.

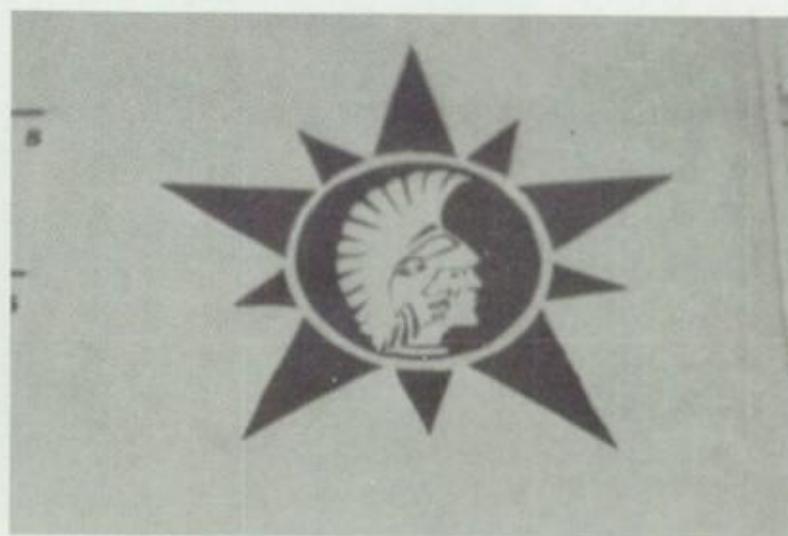

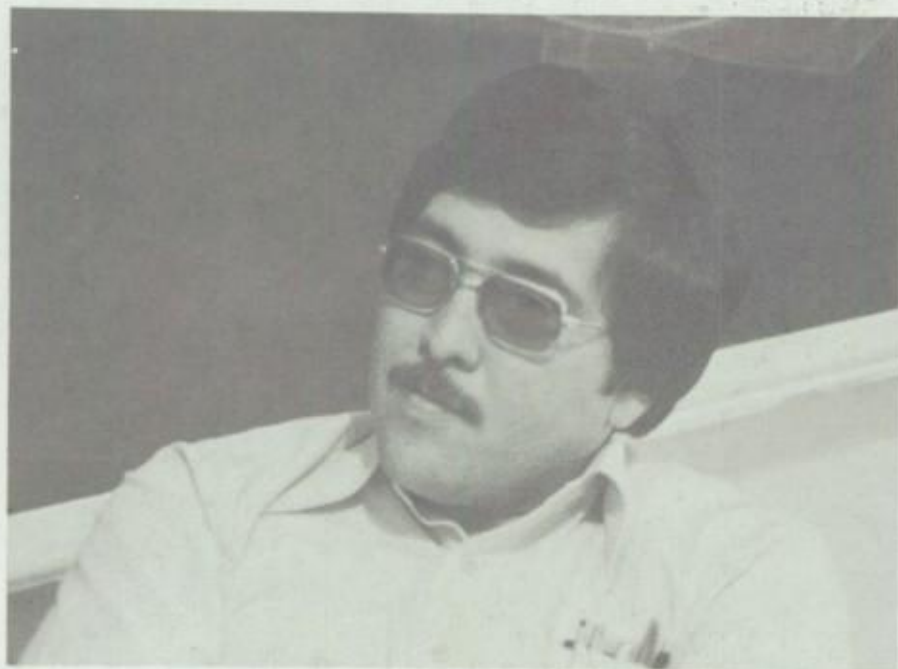

Two seniors, 6 juniors, and 2 sophomores made up the squad, so plenty of experience will be available for next year.

The girls were under the able leadership, as BHS cheerleaders have been through most of the '70's, of Mrs. Ann Aragon.

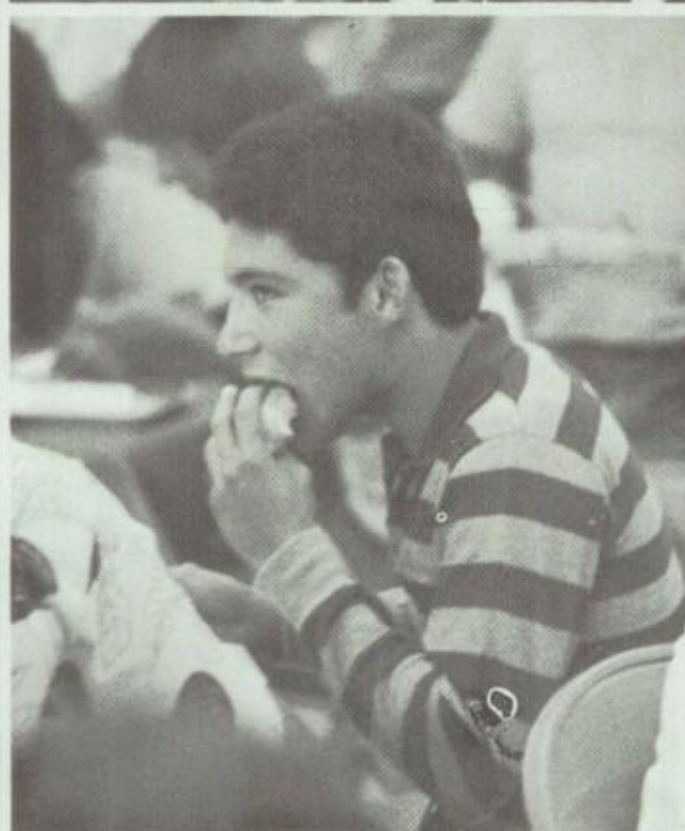

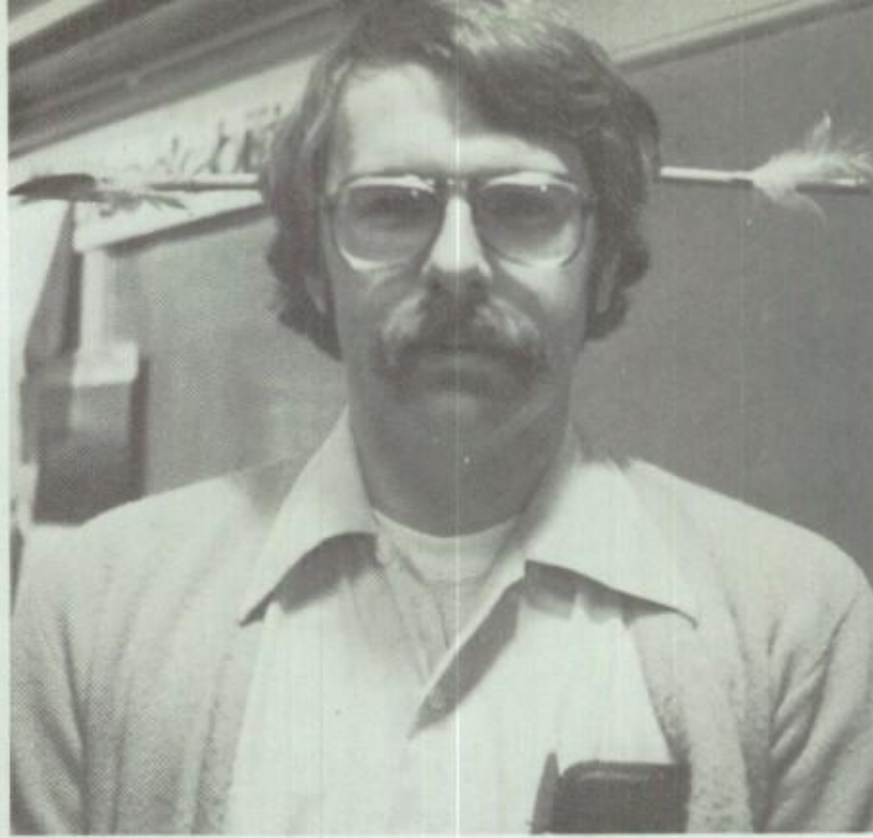

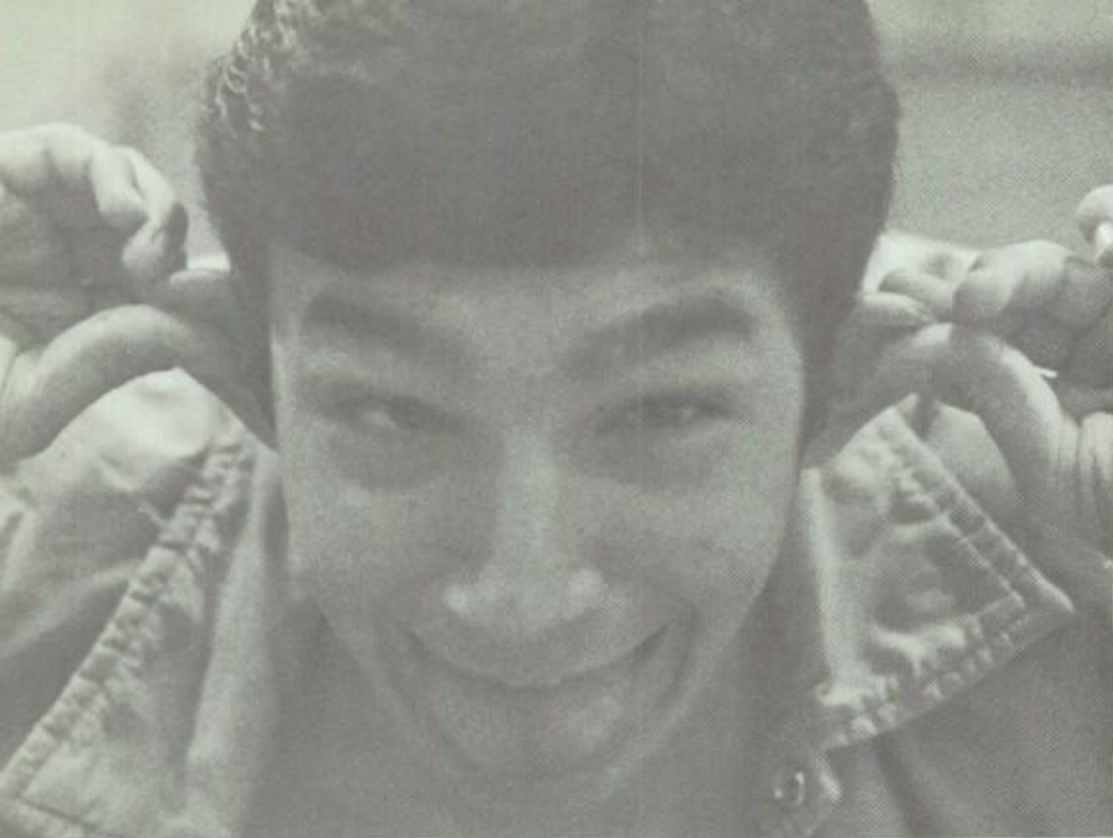

# CLASS SCENES

Mr. Charles Aguilar, shown upper left, is BHS Spanish and Psych teacher. Next right, Big Joe Cordova is camera shy, as usual. Carla Valencia gets her picture taken unexpectedly. A lot of heat was passed while trying to decide the most equitable way of senior balloting for class favorites. To the BHS Building Trades classes, finishing their big project is the thing. Mark Garcia painted this Spartan for silk screening in Fine Arts class. Bottom left Mr. Gustav Nitiforo, artist-in-the-school, helps out students striving for the tallest structure made strictly from newspapers and string.
